MORE FOR YOUR MONEY

"Plan for more than one meal at a time when
buying meat" says Miss Beatrice White, Ply-
mouth County home demonstration agent. "Left-
overs" then are "save-overs". Diligent use of
"save-over" meat is another way to get more
for your meat dollar. Buy only the amount of
meat you can use without wasting any of it.
Here's a general guide to help you decide how
much meat you should purchase: Much bone and
gristle - $\frac{1}{2}$ to 1 lb. per serving. Medium
amounts of bone - $\frac{1}{3}$ to $\frac{1}{2}$ lb per serving.
Little bone - $\frac{1}{4}$ to $\frac{1}{3}$ lb. per serving. No
bone - $\frac{1}{4}$ to $\frac{1}{5}$ lb. per serving.

4-H GIRLS DAY Continued from Page 11

Those working on the committee from Rochest-
er were Mrs. Jean Winso, chairman of Dress
Review and Judging; Juliann Tarvers, regis-
tration and Mrs. Dorothea Hedges, narrator
of Junior Dress Review. About 300 attended
this event.
